Dear Ms. Yarborough:

We spoke by telephone on this date in reference to the Notice of Non-Compliant Amendment dated May 31, 2007, which you sent to me. The Notice marked two items for correction: one pertaining to the drawings and the other to the claims. It was agreed that the drawings do not require correction and so that item is now withdrawn.

Regarding the second item, it was agreed that this item can be corrected by submission of a replacement "Amendment Page -5-"; wherein, in accordance with your instructions, the claims are correctly numbered in ascending order. Enclosed with this letter is such replacement "Amendment Page -5-". Please discard the corresponding page previously filed as part of the amendment filed May 14, 2007, and replace it with the currently provided

page. In accordance with your instructions, the corrected "Amendment Page -5-" has "Claims 13-20 (canceled)" immediately following "Claim 12 (currently amended)" and has "Claim 21 (new)" following "Claims 13-20 (canceled)". (On the page that is now discarded, the new claim immediately followed Claim 12 and was incorrectly numbered "12.1").

It was agreed upon during our telephone conversation that submission of a replacement "Amendment Page -5-" is all that is needed to fully comply with the Notice of Non-Compliant Amendment.

Thank you.

Respectfully,

Salvatore Cirami
